Please contact support@skillsoft.com if you do not receive a Completion Certificate.

Note: Valid training courses in this document are subject to change without prior notification. Training submitted based on prior approval will remain valid. Training submitted after the date on this document must meet this document training requirements.

Training Valid in this document is based on the exam objectives:

- A+ 220-1201 and 220-1202
- Network+ N10-009
- Security+ SY0-701
- Linux+ XK0-005
- Cloud+ CV0-004
- PenTest+ PT0-003
- CySA+ CS0-003
- SecurityX CAS-005

Activity name to use when uploading CEUs into a certification record:

Completed a Training Course

Training formats accepted are Classroom-Based, Live Online, Private On-Site and Self-paced e-learning.

CEU Required Documentation

The certified professional must upload a certificate of completion into their certification record as proof of attendance.

Completion Certificate

1. Name of training provider
2. Training course title
3. Name of the certified professional
4. Date the training was completed

Training must be completed within the three-year CE Renewal cycle. The course duration hours are to be used when entering CEU hours in a certification record. Training can only be used once within a CE cycle, even is updated. Please see the training provider course descriptions for durations.
